Visit the Thoroughbreds

Spouses and guests

Attendees will first enjoy a guided
tour of Adena Springs Farm, one

of our world class, award-winning thoroughbred breeding and training horse farms where no expense is too great for the comfort of the world's most expensive athletes, known simply as Thoroughbreds. Lunch will be at the farm. We then will take a short ride to **Old Friends Farm**, a very special place where past Kentucky Derby, Preakness, Belmont and other champions retire and live out their years. Think of it as an exclusive equine retirement village, where you will feed carrots to Silver Charm

(1997 Derby and Preakness winner) and Touch Gold (1997 Belmont winner) and others like War Emblem (2002 Derby and Preakness winner).

Meet in the hotel lobby.

Reception at the Hunt-Morgan House

Heavy Hors d'oeuvres

Participants, spouses, guests, law school deans and students

In the midst of the antebellum splendor of Lexington's historic Gratz Park, the Hunt-Morgan House stands majestically as a reminder of early 19th century life when Lexington was known as "The Athens of the West." Completed in 1814 and saved from demolition in 1955 by the Blue Grass Trust for Historic Preservation, the Hunt-Morgan House is now operated as a museum. The house serves as an outstanding example of Federal architecture anchoring the historic antebellum center of the old city. The museum's collection of early Kentucky furniture, antique porcelain and 19th century paintings captures the elegant style with which Mr. Hunt and his family lived in the Bluegrass country of Kentucky. The rooms are furnished with articles of the period as well as those owned by the family.

Meet in the hotel lobby.

Buses depart from The Hyatt Regency at 5:30 PM and return at 8:30 PM.

Farewell Dinner at Woodford Reserve Distillery

Participants, spouses and guests

Nestled amid the rolling hills of bluegrass and thoroughbred farms sits our historic **Woodford Reserve Distillery**. One of Kentucky's oldest and smallest distilleries, the present-day Woodford Reserve Distillery is built on history, sitting on Kentucky's oldest distilling site where Elijah Pepper began crafting whiskey in 1812. It was on these same hallowed grounds that years later Master Distiller James Christopher Crow perfected his whiskey-making methods, which today have become common practice, including the implementation of sour mash into fermentation.

The Distillery is home to a 500-foot-long gravity-fed barrel run, our iconic copper pot stills, and 100-year-old cypress wood fermenters. We also boast one of the only heat cycled barrelhouses in the world, ensuring every drop seeps into the charred and toasted white oak, giving Woodford Reserve its color and signature flavor.

Tours of the Woodford Reserve Distillery will be optional.

Meet in the hotel lobby.

Buses depart The Hyatt Regency at 5:30 PM and return at 10:00 PM.
